

Dear Parent or Family Member,

A few months ago, we shared information with you about the exciting program that your student was selected to participate in, Kids2College. I am pleased to inform you that your student has successfully completed this program! During our time together, we learned about:

- The different kinds of college degrees they can earn to get them ready for their future career;
- Different careers that they can pursue that fit their interests and skills;
- The classes they need to take in middle and high school to be college ready;
- Ways they can get help with their schoolwork to make sure they are doing their best;
- The variety of resources available to help them pay for their college education, including scholarships and grants;
- What life is like on a college campus; and, most importantly,
- How college IS possible!

After their participation in this program, your student has expressed interest in going to college. We encourage you to support your student as they pursue this goal. Completing the Kids2College course was the first step in preparing for a brighter future. While getting ready for college is not easy, it is something every student is able to do with hard work and the right information. Your student collected information about education and career options, preparing for college, and financial aid in their *My Path to Success* handbook. Ask your student to share his or her Student Handbook with you so that you can see all the hard work that the student put into learning about college. This information also will be valuable to you as you help your student continue working towards his or her goal. We've also included a summary of the things they've learned during the course on the next page.

To show your commitment to supporting your student, please sign the attached certificate and have your student return it to the Kids2College teacher. Together, you and your student can work together to make the college dream a reality and create a better future for your family.

If you would like more information about college, careers, or financial aid, please feel free to get in touch with me. Thank you for supporting your students as they achieve their dream of a college education.

Sincerely,

The Kids2College Team
