Information, Discussion and Action

1. Newsletter
   Teresa submitted a couple suggestions to Rita who said the final draft would be ready by next week.

2. Website
   Jacqui Y. stated that she would schedule a meeting with Nalini who updates the website for SDS. Jacquelyn C. said that her husband is familiar with website design and can help answer any questions. Daniel said that he would submit changes to Nalini for the current website while Jacqui works on having a new one created.

3. Delta Alpha Pi
   Karina said that the first Delta Alpha Pi meeting would be 1/29 at 1:30 and twelve members were scheduled to attend.

4. Deaf Studies Budget Cuts
   Daniel presented the first draft of the resolution. Board members suggested minor edits. Daniel said that he would schedule meetings with Dr. Emmorey, Dr. Forstall and Dean Newhoff to discuss further.

5. Access Issues on Campus and Web
   Alan noted the lack of fencing/rails on the new walkway between Viejas Arena and the ENS Field. Rita stated that she thought the walkway was wide enough to be safe without a safety barrier. Rita reported that potholes have returned at the intersection of East Campus Drive and Montezuma. Jacquelyn C. noted that there is not a ramp on the North West side of the Free Speech Steps in the Aztec Center. Jacqui Y. noted that there seems to have been an increase of loading truck traffic on campus during peak hours. This is a safety concern because they cause congestion and can force her to have to move onto the grass.

6. AS Report
   Daniel reported on two resolutions up for consideration which are a resolution in response to the Governor’s budget proposal and one in support of a CSU-wide cultural competency certificate program. He also announced GreenFest '10. He also said that AS Council would be having a retreat on Saturday and it would focus on Modern Space.
