Testing for DSST Get College Credit exams (formerly known as DANTES Subject Standardized Test) is offered at SDSU Testing Services to the greater San Diego community, including active military and their dependents.

The exams afford participants an opportunity to obtain college credit, satisfy course prerequisites, and/or meet general education requirements by exam. Each college or university separately determines which exams it will accept, what credit will be granted, and what scores will be required. While similar to CLEP exams, the DSST includes a broader array of topics, especially related to substance abuse, ethics, history, business administration, and criminal justice.

DSST exams proctored at SDSU Testing Services are internet-based, multiple choice formats. Test takers are given two hours to take the 100 question exam. Silent, non-programmable calculators are permitted for some exam titles. Additional information about the DSST exams, including exam costs, can be found at [www.getcollegecredit.com](http://www.getcollegecredit.com).
