The Testing Services staff will return to campus full-time beginning on Monday, July 26, 2021.

SDSU’s commitment remains to be the safety, health and well-being of all campus community members including students, staff, faculty and visitors. SDSU is closely following the COVID-19 guidelines set forth by national, state and local public health and government officials as well as the Centers for Disease Control and Prevention.

All visitors to campus are asked to perform a self-check of COVID-19 related symptoms prior to coming to campus and remain home if you are experiencing any symptoms, including fever, dry cough, difficulty breathing, chills, repeated shaking with chills, muscle pain, headache, sore throat or loss of taste or smell.

Please review the WPA details below. If you still have questions, email staar@sdsu.edu or visit the Testing Services zoom virtual front desk.

The California State University System (CSU) adopted the Graduation Writing Assessment Requirement (GWAR), requiring that all undergraduate students demonstrate competency in writing skills at the upper division level as a requirement for the baccalaureate degree within the California State University System (CSU). (Students seeking a second bachelor's degree in nursing have satisfied the GWAR with their first baccalaureate degree from a college/university accredited by a regional accrediting association.) At San Diego State University, the GWAR begins with the Writing Placement Assessment (WPA), a two-hour examination used to evaluate writing competency.

REQUIREMENTS FOR SATISFYING THE GWAR REQUIREMENT

- **Continuing students who are achieving 60 units in the fall 2021 semester or after**

  Continuing students who will achieve 60 units earned by the end of fall 2021 will have a WPA hold placed on their record in September 2021, and will begin to receive email communication to inform them they can take the WPA in fall 2021 or in spring 2022. The WPA hold will be effective for fall 2022 registration, thus students will be required to take the WPA before they may register for fall 2022 classes in April 2022.

- **Continuing students who have or will achieve 60 units by the end of summer 2021**
Continuing students who will achieve 60 units earned by the end of summer 2021 can enroll directly into an approved upper division writing course to satisfy the GWAR. Alternatively, they will have the option to take the WPA in person in the fall 2021 semester.

- **New Transfer Students for fall 2021**

  The WPA requirement has been waived for newly admitted transfer students for fall 2021. These students will be able to enroll directly into an appropriate upper division writing course to fulfill the **CSU GWAR requirement** or they can choose to take the WPA in person in the fall 2021 semester.

- **New Transfer Students for spring 2022**

  Spring 2022 transfer admits will have a WPA hold placed on their record which will be effective for fall 2022 registration, thus students will be required to take the WPA before they may register for fall 2022 classes in April 2022. Transfer students are able to take the WPA as soon as they receive an offer of admission, and must do so by the end of their first semester at SDSU (preferably in time to have their test results prior to their fall 2022 registration date).

- **New Transfer Students for fall 2023**

  Fall 2022 transfer admits will have a WPA hold placed on their record which will be effective for spring 2023 registration, thus students will be required to take the WPA before they may register for spring 2023 classes in November 2022. Transfer students are able to take the WPA as soon as they receive an offer of admission, and must do so by the end of their first semester at SDSU (preferably in time to have their test results prior to their spring 2023 registration date).

**Students Requesting Accommodations**

Students with accommodations already authorized by the SDSU Student Ability Success Center (SASC), and placed on the SDSU Testing Services reservation system by SASC, should contact Testing Services prior to registering for the WPA. You should contact Testing Services prior to the registration deadline for the test date you wish to take to allow for approved accommodations to be arranged. **WPA SCORING INFORMATION**

- Students who achieve a score of 10 on the WPA satisfy the CSU GWAR and do not have to take a writing course unless an upper division writing course is required by the major.

- Students who achieve a score of 8 are required to satisfy the GWAR by completing an approved upper division writing course with a grade of C or higher. See the list above.

- Students who earn a score of 6 or lower are required to complete Rhetoric and Writing Studies 280 (or Linguistics 281 if English is your second language) with a grade of C or higher before enrolling in one of the approved upper division writing courses. Students who earn a 6 or lower are required to register for the required course in the semester immediately following the test date. Once students are enrolled in Rhetoric and
Writing Studies 280 or Linguistics 281, they may not take the WPA to test out of an upper division writing course or to enroll directly into an upper-division writing course.

- Students are allowed to attempt the WPA twice within the time-frames and restrictions described above. Students may not drop a course in which they are registered if test results are received after the schedule adjustment deadline. Students must pay the required fees for the examination each time it is taken. Fees are non-refundable.

**Preparation for the Writing Placement Assessment**

Students are strongly encouraged to prepare in advance for attempting the Writing Placement Assessment. In addition to the general testing information found here, the WPA Information & Preparation Site contains study materials, test-taking strategies, and sample essays.
