NOTE: ALL students registered to take the WPA, MUST bring a printed copy of their admission ticket to check-in to take the WPA. A copy of a confirmation or admission ticket on a cell phone will NOT be accepted. You will be sent to print the admission ticket and failure to return by the test time will result in a cancellation of your test and you will be required to register again and pay the $45 registration fee.

According to the SDSU General Catalog, all undergraduate students must demonstrate competency in writing skills at the upper division level as a requirement for the baccalaureate degree within the California State University System (CSU). (Students seeking a second bachelor's degree in nursing have satisfied the GWAR with their first baccalaureate degree from a college/university accredited by a regional accrediting association.) The Writing Placement Assessment (WPA) is a two-hour examination used by SDSU to evaluate writing competency.

TESTING TIME FRAMES

Students must take the WPA within the time frames described below. Once students are enrolled in Rhetoric and Writing Studies 280 or 281 or Linguistics 281, they may not take the WPA to test out of an upper division writing course.

- **Continuing Students.** Continuing students must take the WPA during the semester in which they are completing 60 units or in the semester immediately following.

- **Transfer Students.** Transfer students are eligible to take the WPA once they have received an offer of admission. They must take the WPA by the last test date offered during their first semester at SDSU. The following majors require the WPA as a prerequisite to upper division courses that transfer students must take their first semester; **students in these majors should take the WPA prior to attendance at New Student Orientation:** Accountancy, English, History, Journalism and Media Studies, Liberal Studies, Linguistics, Management Information Systems, Religious Studies, and Rhetoric and Writing Studies.

- Students who transfer from another California State University campus having fulfilled the GWAR will not be required to repeat it. However, a course listed below may be required for the major. **Contact the Academic Advising Center if you believe you have fulfilled this requirement at another CSU**

Students who do not take the examination by the end of the required time frame will not be able to register for future terms. Students may file a leave of absence for the next semester and maintain continuing student status. If the examination is completed during the leave of absence, the student may re-enroll the following semester. Students who have not taken the examination by the end of the leave of absence term will be required to file another leave of absence to maintain eligibility until the examination has been taken and a score is posted on the record. Students are allowed a maximum of four leaves of absence.
SCORING INFORMATION

- Students who achieve a score of 10 on the WPA satisfy the statewide GWAR and do not have to take a writing course unless an upper division writing course is required by the major.

- Students who achieve a score of 8 are required to satisfy the GWAR by completing an approved upper division writing course with a grade of C or higher. See the list below.

- Students who earn a score of 6 or lower are required to complete Rhetoric and Writing Studies 280 (or Rhetoric and Writing Studies 281, or Linguistics 281 if English is your second language) with a grade of C or higher before enrolling in one of the approved upper division writing courses. The SDSU class registration system will require students who earn a 6 or lower to register for the required course in the semester immediately following the test date. D. Students are allowed to attempt the WPA twice within the time-frames and restrictions described above. Students may not drop a course in which they are registered if test results are received after the schedule adjustment deadline. Students must pay the required fees for the examination each time it is taken. Fees are non-refundable.
