In response to the COVID-19 pandemic and as a result of the “stay at home” order issued by California Governor Gavin Newsome, all in-person testing has been suspended until further notice. SDSU continues to monitor the evolving situation around COVID-19 and follow the guidance of our national, state and local government officials as well as the Centers for Disease Control and Prevention.

If you are graduating in May or August 2020 and need to complete the Spanish Language Proficiency Test, please send an email before May 7, 2020 including the name of your graduation advisor to Dr. Blanco at ablanco@sdsu.edu. If you are planning to graduate in December 2020, you are encouraged to take Spanish 201 in summer or fall 2020 in case we are not back on campus and the in-person Spanish Language Proficiency Test is not offered.

The Spanish Language Proficiency Test may be taken by any Liberal Arts and Sciences major to satisfy the foreign language requirement. The Spanish Language Proficiency Test is not appropriate or available to students attending other colleges or universities or individuals seeking bilingual certification for employment or other purposes. Scores from this test will only be released to SDSU students seeking to satisfy the language requirement on this campus.

According to the SDSU General Catalog, some language requirements may also be satisfied through Advanced Placement (AP) credit, College Level Examination (CLEP) credit, and/or International Baccalaureate (IB) credit.

**Students Requesting Accommodations**

Students with accommodations already authorized by the SDSU Student Ability Success Center (SASC), and placed on the SDSU Testing Services reservation system by SASC, will need to contact Testing Services at 619-594-5216 or staar@sdsu.edu. SASC information can be found at http://go.sdsu.edu/student_affairs/sds/.
